

# hydracial®

THE BEST SKIN OF YOUR LIFE

## TOWER 28 000 €\*

### INCLUDES:

- HydraFacial MD®
- Blue and red LED light therapy
- Vacuum lymphatic therapy

**HydraFacial** is one of the most powerful, non-invasive skin resurfacing treatments available today. It combines cleansing, exfoliation, extraction, hydration and antioxidant protection that removes dead skin cells and impurities, while simultaneously delivering moisturizing serums into the skin. The word "hydra" in **HydraFacial** refers to its incredibly hydrating effect. The **HydraFacial** procedure itself is fast and efficient, only taking about 30 minutes to complete. Moreover, the results are instantly noticeable, and there is no recovery time needed.

The award-winning **HydraFacial® Tower** merge invigorating spa therapies with advanced medical technology to enhance skin health. Only **HydraFacial®** uses patented **Vortex-Fusion®** technology to cleanse, extract and hydrate.

You can have the utmost confidence in this leading-edge system manufactured in the **USA** by Edge Systems LLC.
